- 4) If paying via the RRA debit order system then our request will be to ask residents to agree to your debit order amount to be increased by the levy amount R800 or R400(if a pensioner) Example – if paying R395 ,then March will be R1195

If you cannot pay levy in one month then just advise your finance team who will assist to spread this levy. We would like to recover in 2 months, March and April.
